TERM WITHDRAWAL (current term only)

An approved withdrawal will show as a grade of "W" on transcripts, future class lists, and posted grades. For withdrawal from a course, submit an unofficial transcript. Attach relevant supporting documentation to this form. If more space is needed, attach another sheet. Withdrawal Policy: Beginning Fall 2009, undergraduate students may withdraw from a course a maximum of two times and from no more than 18 semester-units of course work. This does not include total term withdrawals of all courses or classes taken in CEL (College of Extended Learning). Satisfactory Academic Progress rules require a 67% completion rate (units completed out of units attempted) to receive financial aid. W grades are considered attempted units in this calculation.

Guidelines and Instructions for Withdrawing from a Term

1. You must complete the petition and make your request before the published [Withdrawal Deadlines](#).
2. If the semester has passed, you must use a **Retroactive Term Withdrawal** petition.
3. If you are only withdrawing from individual course(s), you must use the **Withdrawal from a Course** petition.
4. Documentation must support a serious and compelling reason. Examples are: serious medical condition, emergency travel due to family situation, death of a close family member during the semester the class is taken, documentable mental health concern.
5. Serious and compelling reasons do not include: Work schedule conflicts or withdrawals to improve GPA.
6. Documentation must be submitted in order for your petition to be reviewed. Petitions without documentation will be returned.
7. Any documentation submitted constitutes an acknowledgement that it may be shared by staff or faculty reviewing your petition.
8. Documentation must show proof of why you were unable to complete the course and must match the dates of the term in which you enrolled for the course.
9. Examples of acceptable documentation include: A statement on letterhead from a doctor, counselor, or therapist.
10. Examples of documentation not acceptable include: A statement from a family member/friend or your own statement with no other documents.
11. Medical documentation should only include verification of the severity of the condition to show why it prevented you from completing the coursework and the dates the condition affected you. It is unnecessary to include intake forms, full diagnostic work or for the doctor's office to state the actual diagnosis.
12. Processing time will vary depending on department/college and time of year.
13. The Board of Appeals and Review or its designees will make final decisions concerning all petitions for Retroactive Withdrawal based solely on the statements and documentation submitted.
14. Please check the current Bulletin for complete [Withdrawal Policies](#).
15. The Board of Appeals and Review meets only once per month during the Fall and Spring terms. Decisions will be sent to the petitioner via e-mail within 5-10 business days after these meetings .
