### WITHDRAWAL FROM A COURSE (current term only)

An approved withdrawal will show as a grade of "W" on transcripts, future class lists, and posted grades. For withdrawal from a course, submit an unofficial transcript. Attach relevant supporting documentation to this form. If more space is needed, attach another sheet. Withdrawal Policy: Beginning Fall 2009, undergraduate students may withdraw from a course a maximum of two times and from no more than 18 semester-units of course work. This does not include total term withdrawals of all courses or classes taken in CEL (College of Extended Learning). Satisfactory Academic Progress rules require a 67% completion rate (units completed out of units attempted) to receive financial aid. W grades are considered attempted units in this calculation.
