Enrollment Conditions

1. Approval of concurrent enrollment is valid only for the term specified and is subject to space availability and registration priority policies at host campus.
2. Units for course(s) authorized by the host campus combined with home campus units, may not exceed maximum total units allowed for term.
3. Concurrent enrollment is possible only in overlapping terms, e.g., semester campus to semester campus, quarter to quarter.
4. Evidence of completion of course prerequisites may be required at the host campus (i.e., personal transcripts or grade reports).
5. Financial aid is available only through the home campus and students eligible for veterans, rehabilitation, social security and other federal, state or county benefits must secure eligibility certification through the home campus.
6. Participation in student activities at the host campus is subject to any limitations that may exist at that campus. Similarly, student union facilities will be available according to policies at each campus.
7. Parking on the host campus will be available on the basis of a term fee within campus parking availability or on a daily fee basis.
8. Information concerning host campus identification card policies will be available at the time of registration.

Procedures

1. Student completes application and submits to the Registrar's/Records office at their home campus at least two weeks before the first day of classes at both campuses. Contact host campus for deadlines, if any.
2. Home campus registrar designee completes Part II and forwards to host campus registrar designee if approved, or returns to student, if disapproved. The approved application may be given to student so that he/she/they can submit it to host campus.
3. Host campus registrar completes Part III-A and provides a copy to student with registration instructions.
4. Student registers at host campus presenting approved copy(ies) of the application. If applicable, non-resident tuition fees, professional fees (Graduate Business), and/or material fees for the host campus units are charged by and paid to the host campus.
5. Host campus completes Part III-B and submits back to home campus so that (1) Registrar can put on placeholder course; and (2) Financial Aid can process eligible aid.
6. Program changes will be accomplished by following standard procedures on both campuses. Official notification will be provided by the host campus to the home campus. If a student withdraws from the home campus and requests refund for the refundable portion of the State University fee, the host campus must be notified.
7. Permanent academic records will be maintained at the campus where courses are completed. A record of credit earned at a host campus will be available to the student and to the home campus upon request by the student or registrar of the home campus.
